

Part 6 Seals

58-53-601 Seal -- Design and implementation.

Every landscape architect shall have a seal, the design and implementation of which shall be established by rule by the division in collaboration with the board.

Enacted by Chapter 191, 1998 General Session

58-53-602 Site plans to be sealed.

- (1) Any site plan prepared in this state shall bear the seal of a landscape architect licensed under this chapter, except as provided in Section 58-53-304, in Title 58, Chapter 22, Professional Engineers and Professional Land Surveyors Licensing Act, in Title 58, Chapter 3a, Architects Licensing Act, or by the State Construction Code or an approved code under Title 15A, State Construction and Fire Codes Act.
- (2) Any final site plan prepared by or under the supervision of the licensed landscape architect shall bear the seal of the landscape architect when submitted to a client, or when submitted to a building official for the purpose of obtaining a building permit, even if the practice is exempt from licensure under Section 58-53-304.

Amended by Chapter 14, 2011 General Session

58-53-603 Seal -- Authorized use.

A landscape architect may only affix the landscape architect's seal to a site plan when the site plan:

- (1) was personally prepared by the landscape architect;
- (2) was prepared by an employee, subordinate, associate, or drafter under the supervision of a licensee, provided the licensee or a principal affixing the seal assumes responsibility;
- (3) was prepared by a licensed landscape architect in this state or any other state provided that the licensee in this state affixing the seal:
 - (a) performs a thorough review of all work for compliance with all applicable laws and rules and the standards of the profession; and
 - (b) makes any necessary corrections before submitting the final site plan:
 - (i) to a building official for the purpose of obtaining a building permit; or
 - (ii) to a client who has contracted with a landscape architect for the production of a site plan, when the landscape architect represents, or could reasonably expect the client to consider, the site plan to be complete and final;
- (4) was prepared by a person exempt from licensure as a landscape architect, provided that the licensee in this state affixing the seal:
 - (a) performs a thorough review for compliance with all applicable laws and rules and the standards of the profession; and
 - (b) makes any necessary corrections before submitting the final site plan:
 - (i) to a building official for the purpose of obtaining a building permit; or
 - (ii) to a client who has contracted with a landscape architect for the production of a site plan, when the landscape architect represents, or could reasonably expect the client to consider, the site plan to be complete and final; or

- (5) meets any additional requirements established by rule by the division in collaboration with the board.
